Featuring **dōTERRA** Essential Oils

Ever wondered how essential oils can impact you or your dog's health? Elicia Casey, Wellness Advocate with dōTERRA is coming to town for 2 days only to teach 2 very special workshops. She will also be offering a complimentary private wellness consultation as a special bonus for the Swim Doggie Swim family. Limited space will fill quickly. Email or text Elicia to reserve your spot for Monday August 12th between 9am - 1pm.

Essential Oils for Pets August 13th 12-2pm

Looking for natural solutions for your pet? Come learn how essential oils are a safe and effective way to repel insects, support healthy joint function, skin/coat, hot spots, ears, boost the immune system, calm upset stomach and allergies! Even help calm anxious and nervous feelings and more!

Medicine Cabinet Makeover August 13th 6-7pm

Makeover your medicine cabinet with powerful essential oils for the whole family. You'll be empowered to handle occasional headaches, pain, allergies, heartburn, digestive issues, colds, sleep, stress, skin abrasions, burns and more!

You can even replace toxic cleaning products at a fraction of the cost.

*\$10 To Attend each Workshop (Includes Free Blend)
Additional \$5 Make & Take Blends will be available at both Workshops*
